VOICE FROM EXHIBITORS

LUIGI TROMBETTA - SALES MANAGER – ALSECO S.r.l

The exhibition exceeded my expectations, especially as it's my first business experience in Vietnam. We received strong interest from visitors in rubber and packaging sectors. I'm hopeful for fruitful follow-ups. If it's up to me, I'd definitely return.

PHAM VAN THANH QUANG - SUPPLY CHAIN DIRECTOR - VINA AUSTRALIA PACKAGING LABELS JOINT STOCK COMPANY

It's our first time here and I'm impressed by the scale and professionalism. Our booth welcomed many visitors, including both new and existing clients. It's a great chance to showcase our products and expand networks. We look forward to joining future editions.

VIETNAM PAPER INDUSTRY OVERVIEW

Vietnam's Paper Industry: Growth, Innovation, and Global Reach

Vietnam's paper sector continues to thrive, with exports surpassing US\$2.7 billion in 2024 and maintaining a steady 10-12% annual growth. Rising demand for eco-friendly packaging, driven by e-commerce and sustainability trends, positions the industry for further expansion, with the paper packaging market projected to hit US\$3.5 billion by 2026.

In parallel, Vietnam's packaging paper market was valued at approximately US\$2.6 billion in 2024 and is projected to reach US\$4.14 billion by 2029, growing at a CAGR of 9.73%. With increasing investments in green technology and automation, Vietnam is solidifying its position as a strategic production and export hub for the global paper industry.
